

KATHERINE ELLIOTT

MANAGING DIRECTOR | OPERATIONS

Prior to joining ERES, Katie spent the majority of her career designing and leading human capital and business transformation strategy at a variety of world class organizations including PwC and Arthur Andersen. Her extensive people and project management experience has had a proven impact on revenue and workforce efficiency both in the U.S. and abroad. As the Human Capital Leader for PwC Bermuda, Katie was responsible for all human capital operations, transformation, project management, coaching and career development programs and initiatives. She also has significant experience with finance and compensation strategy, strategic staffing and recruitment.
