

# PATRICK KELLY

## VICE PRESIDENT

Patrick Kelly joined ERES in 2018 as Vice President to enhance the firm's boots-on-the-ground brokerage services throughout Houston and Texas energy markets.

Bringing over 18 years of commercial brokerage and development experience, Patrick specializes in the acquisition, disposition, development, construction, evaluation and underwriting of investment grade real estate. A vast background in Houston markets and the energy sector, his focus is providing brokerage services for office and industrial properties in the 5,000 to 50,000 square foot range. In addition, Patrick provides ERES clients with extensive experience in the site selection, valuation and acquisition of raw land.

Prior to ERES, Patrick served as Manager of Industrial Brokerage and Development for MHW Real Estate, a full-service commercial real estate firm geared to the development and sale of end user single tenant and industrial crane served buildings. Formerly he was Managing Broker for ROI Properties LLC, a Houston-based commercial real estate firm specializing in the sale and development of single tenant office investments.

In addition to real estate, Patrick has over 15 years experience in senior sales, marketing and customer support for Fortune 500 clients within the United States and five European countries. Clientele included Exxon, Shell/Royal Dutch, ConocoPhillips, Sohio, GECO/Schlumberger, Chevron, CalTex and OGS/NATO.

Patrick is originally from Memphis Tennessee and is a graduate of the University of Mississippi. He holds an active real estate broker license in Texas.
