## SENIOR ANALYST & TRANSACTION MANAGER

Melinda O'Brien joined Energy Real Estate Solutions (ERES) in July 2017 as a Senior Analyst & Transaction Manager. In her role she provides ERES clients, buyers, tenants and other key parties with reliable, timely and efficient brokerage and financial support throughout all stages of a transaction.

Melinda came to ERES with a strong background in commercial real estate and financial services, working for CBRE, Woodspear Properties and ALPS Fund Services in various capacities in property and asset management, brokerage, tenant relations, securities and mutual funds. Most recently she served as Regional Commercial Property Manager where she was responsible for the functional and financial operation of a 22-building portfolio in Colorado and Arizona totaling 1.25 million square feet and over 80 tenants.

Melinda earned a Bachelor of Business Administration, with an emphasis in accounting and finance, and a Certificate in Real Estate from the University of Colorado Boulder. She also received a Master of Science in Real Estate and Construction Management from the University of Denver. A Colorado native, Melinda enjoys spending time outdoors with her fiancé and two dogs, Meeka and Ace.
